TO BE FILLED OUT JOINTLY BY COUPLE MAKING APPLICATION

(Do not make separate applications for groom and bride.)

REQUIREMENTS FOR OBTAINING A MARRIAGE LICENSE

In applying for a marriage license, both the prospective groom (male) and bride (female) must appear in person before a marriage license agent.

A marriage license is issued immediately after the application is made. After being issued, the license expires *within 30 days* and it is *valid* statewide.

To marry, males as well as females must be at least 15 years of age. Males and females who are 16 or 17 years of age must have the written consent of both parents, or of the legal guardian, or other person in whose care and custody the minor has been placed, or of the family court judge who has jurisdiction over the minor child. Males and females may marry at age 15 years with the written consent of both parents or legal guardian and the written approval of the judge of the family court. No one under 15 years of age may marry.

Proof of age in the form of a certified copy of a birth certificate must be presented to the marriage license agent by any applicant who is under 19 years of age. Proof of age may be requested for those applicants over 18 in the form of an I.D. or driver's license.

A blood relationship between the prospective groom and the bride must not be closer than first cousins.

Blood tests are not required.

The fee for a license is payable, in cash, at the time of filing the application.
